

# Further, Faster, Higher

## ATTENTION! On Line Shoppers

Helping the club raise funds through our web-shop could not be simpler.

Whenever you are thinking of buying on-line, just remember to click the link:

<http://buy.at/tauntonac>

OR go to our TAC web-site & click on the BUY AT logo (right hand sidebar).

This will take you to the TAC buy-at web-shop page with links to over 150 major retailers (including M&S, Amazon, Play.com, Insurance Co's & many more).

If you decide to buy at any of the sites listed having reached their site by initially

clicking through our web-shop page this earns us loads of commission (from around 3% to often as much as 10%!).

It's as simple as that!

And there is no need for you to register or give any personal details, for us to get the commission. Registration is optional for those who would like to receive occasional updates on special offers.

## CLUB KIT

A reminder that all members must have a club vest to compete in.

Hoodies, teeshirts and beanies are available at £13, £5 and £6 or £23 for all three!

These can be purchased on a Thursday evening.

## SAINSBURYS

### Active Kids Vouchers

It's a bit of a late request as they will stop being issued mid-June, but if anyone has a stash of Active Kid Vouchers to get rid of and would like to give them to the club – PLEASE DO. We can buy all things like ladders, mini-hurdles, turbo javelins, batons, cones, etc with the vouchers  
**Please pass on to Charlotte by the end of June**

Well done to the **senior distance runners** who have been busy running all over the place this last month. Great to see some more female runners in action. Thanks to Sharron Kington you can get regular up-dates on their achievements in the **Somerset County Gazette running section**.

### Club Records

14 new track and field records have been set this season already. Records can be seen on our notice board by the gate to the track.

### Road Running Rankings

Thanks to Tom Bloodworth who has started compiling records for the **Senior Endurance Runners**. You can now see how you fair against the rest of the club. If you have results for Tom, please email him at [t.n.bloodworth@hotmail.co.uk](mailto:t.n.bloodworth@hotmail.co.uk)
