

'In the arena of human life the honours and rewards go to those who show their good qualities in action.' *Aristotle*

## Volunteers Needed for Officiating

We desperately need people to come forward to attend an Officials Course on Saturday 19<sup>th</sup> March at the Castle Sports Centre in Taunton. So far only two people have put themselves forward!

Each club is required to provide officials for each fixture. You would work in a team of Taunton AC officials for a part of the day. The more officials we have the less time it will involve for everyone. Some of you assisted last year without a qualification, but league rules are becoming more stringent and we are now under pressure to provide qualified officials. If the club is to continue to extend the opportunities it offers its athletes, for example entering higher claim leagues we will continue to require greater volunteer support.

Listed below are the 90 members of the club who participated in one or more of the SWAL fixtures last summer and we hope will do so again this summer along with new members. 10 -15 of these senior members and parent members of the named athletes are already substantially involved in team managing & officiating etc and so we are looking to the rest of you to step forward and do your bit for the club. From a remaining 75 households we are asking for just 12 people to make themselves available for this course on 19<sup>th</sup> March in Taunton. Please, we really do need your help.

## Athletics 365

Is a new resource for athletes & parents and coaches. The athlete pack gives a comprehensive overview of all events. It shows progressions from beginner to advanced in terms of the skills needed and the agility, balance and coordination required for these & activity which can be practiced done at home. Packs can be purchased through the club for £25. If you would like to view a copy of the resource contact Charlotte .

## MEMBERSHIP RENEWALS

Are now due.
